IN MEMORIAM

Hilda Simpkins passed away September 29, 2022. She was the Club's Treasurer for many years. She and her husband Walter were key members of the Club for many years until retiring to the beach full time. She was a great angler and wonderful person. I could go on for pages about her but the one thing that many of us old crew will say is "We miss you Hilda!"

FISHING REPORT

From Jeff Becker on the "Beats working."

Jim and I with guest anglers Jay Sauber and Chris Elkins went bottom fishing on Thursday Oct 20th. Very difficult conditions with 3 plus knots of tide all day long and at times 4 plus knots.. Took 20 oz of weights to get down to the fish.. We actually needed more weight but there is a point where it is simply not worth the effect . Cranking up 20oz against a 3 knot current is not fun. Despite the difficult conditions (failed to mention feeling a triggerfish bite with 20oz of weight is extremely challenging) we managed to have an ok catch: 16 2-3 lb triggerfish, 5 red snapper releases, 4 very nice sea bass, 3 beeliners, 2 porgies, 4 released grouper,. Planned on king fishing but the bite is very inconsistent ,so the dark side was our best option. King report coming once they show up as well as catching (hopefully) a bluefin tuna to celebrate my 70 birthday.. This getting old sucks

HOW TO SUBMIT AUTOMATED FISHING REPORTS

Dates, locations (general), tackle, bait and tips are greatly appreciated. You can easily utilize the new reporting tool on the Club's website. Fish Card: <https://www.rswsc.org/fish-cards>

Tripp made updates to the website for members to submit Fish Cards. The application for submitting information is through Google Forms and has been embedded into the website. When submitting a responses, members will have the ability to view other submissions.

“Google does require a Gmail account be used, if a picture was uploaded in the questionnaire. To make things easier, pictures will be emailed separately. We believe the ease of submitting responses and the ability to view all member results will outweigh having to submit a pictures separately.”

You can also use the form on the following page if desired and not computer savvy.

Please send in your fishing reports, Fish Cards and photos to share with members in 2022. The newsletters are much better with fishing reports and photos.

Club Website Improvements — from Tripp Adams:

With the help from Tom Zemonek and Janson Fant, the club has a new website. We launched the new RSWSC website in November of 2020.

Built on a different platform from the old site, the club site now has a more updated and professional look/feel. You will notice many of the tabs from the original site are the similar, with only a few key differences. Users will experience much faster load times and, a webpage made to fit mobile devices.

One key addition to the new website is the 'Meetings and Outings' tab. <https://www.rswsc.org/meetings-and-outings>

As the outings calendar is planned and updated, events will be added to the page. We also plan to have virtual club meetings in 2021, which will have meeting information listed. As the club grows into the new site, there is functionality to manage event registration, and event specific communication. These are transitions from our current procedures and will be adopted over time.

The other new feature is the 'Forum' tab. <https://rswsc.org/forum> visitors to the website will have to make an account to access the information. The idea behind the forum is that, this will be a great way for members to interact with each other, especially during these quarantine times. Several message board topics have already been created in the forum; members can post pictures, experiences with guide services, baits/tactics, etc. This will also be a great way for members to meet other club member who have experience in their area of the coast.

As we continue to grow into the new website, you may notice changes along the way. While much of the site was built before it was published, there are always new features that can be added or adjusted. in the long term the site should be able to handle club communication for both emails and social media postings. Some of this will be a "learn as we go" process so, bear with us.

We are open to feedback on the new website. Please do not hesitate to reach out to me with questions, suggestions, and/or recommendations. Email me at tripp.adams@field2base.com
