HOW TO SUBMIT AUTOMATED FISHING REPORTS

Dates, locations (general), tackle, bait and tips are greatly appreciated. You can easily utilize the new reporting tool on the Club's website. Fish Card: <https://www.rswsc.org/fish-cards>

Tripp made updates to the website for members to submit Fish Cards. The application for submitting information is through Google Forms and has been embedded into the website. When submitting a responses, members will have the ability to view other submissions.

“Google does require a Gmail account be used, if a picture was uploaded in the questionnaire. To make things easier, pictures will be emailed separately. We believe the ease of submitting responses and the ability to view all member results will outweigh having to submit a pictures separately.”

You can also use the form on the following page if desired and not computer savvy.

Please send in your fishing reports, Fish Cards and photos to share with members in 2022. The newsletters are much better with fishing reports and photos.
