JULY MEETING

We hope you'll join us for our next club meeting on Tuesday, July 15 at 7:00 PM, held at Laurel Hills Community Center in Raleigh.

Our speaker for July is Ben Ricks. Rather than speak on a specific topic, Ben will answer questions from club members on a broad range of current issues important to us.

Ben Ricks, co-host of the Two Bald Biologists podcast is our featured speaker. Ben brings a wealth of experience and insight into North Carolina's fisheries, so it promises to be a great session!

To make the most of our time with Ben, we kindly ask that you submit any questions in advance to Walter Weeks at wtweeks@yahoo.com.

During the meeting, we'll also be raffling off an inshore/nearsore fishing charter—a fantastic opportunity for a great day on the water!

Board member nominations are this month. Please be prepared to nominate the people you want to lead the club next year.

In memory of longtime member Paul Tew, his wife is offering some of his fishing gear for sale exclusively to club members. If you'd like to check it out, see Chris at the meeting.

Instead of a group outing this July, we encourage everyone to fish with someone new from the club. It's a great way to learn from one another and strengthen our community.

And finally, good luck to all anglers participating in the Spanish Mackerel outing on the 15th,

Emerald Isle Fishing Tournament – September 27, 2025

Fish Cards:

Update the club on your recent catch by submitting fish cards! Entries are featured in club newsletters and entered to win prizes at year-end. Submit your catch there or by emailing reports and pictures to Bo Nowell.

**RESPONSE NEEDED ASAP
SURF ANGLERS NEEDED FOR CHAC
TOURNAMENT!**

The Hatteras Invitational Surf Tournament surf tournament is coming up on 11-5-25) and we do not have any of our regular team members able to fish, me included. Are any interested club members that want to fish this major even?

Call, text or email John Bryant if you are interested. At this point, John has not sent in the registration fee as He is unsure if we can field a team. If we don't field a team, the Club gets dropped and goes back on the waiting list and it could take years to get back on.

The club surf fishing team is short on members to fish the tourney. The dates for the tournament are November 6 and 7 with registration on the 5th. It has always been a great time to fish Hatteras and we do not want to give up our spot since there is a long waiting list to fish the tournament. The entry fee is \$90 and sometimes we rent a house for the week and do a lot of fun fishing before the tournament. NO EXPERIENCE NECESSARY. We always have a great time and learn a lot about surf fishing from other members. If you are interested in fishing this tournament, please call, text or email me and I will fill you in with the details. Thanks, John Bryant 919-624-0676

HOW TO SUBMIT AUTOMATED FISHING REPORTS

Dates, locations (general), tackle, bait and tips are greatly appreciated. You can easily utilize the new reporting tool on the Club's website. Fish Card: <https://www.rswsc.org/fish-cards>

Tripp made updates to the website for members to submit Fish Cards. The application for submitting information is through Google Forms and has been embedded into the website. When submitting a responses, members will have the ability to view other submissions.

“Google does require a Gmail account be used, if a picture was uploaded in the questionnaire. To make things easier, pictures will be emailed separately. We believe the ease of submitting responses and the ability to view all member results will outweigh having to submit a pictures separately.”

You can also use the form on the following page if desired and not computer savvy.

Please send in your fishing reports, Fish Cards and photos to share with members in 2022. The newsletters are much better with fishing reports and photos.
