Members Meeting at the NCSU University Club. March 21, 2023, 7 PM

Speaker: CAPT. TOBY RUSS has lived on the Outer Banks since 1995 when he graduated from East Carolina University. He has operated T-Time Charters out of Pirates Cove Marina for 14 years. His experience and vast knowledge of the inshore fisheries around Oregon Inlet will put you on the fish. Whether fishing the backcountry for Trout or the flats for Drum, or the ocean for Cobia, Capt Toby knows the best spots and techniques to catch what's out there! There will be a half day charter raffled. \$20/ticket maximum 30 tickets.

Atlantic Bonito Tournament

The club will be hosting a month-long Atlantic Bonito (*Sarda sarda*) tournament during the month of April. Here are the details:

Longest fish by fork length is the winner. Please submit a photo of your fish with a ruler in the picture and the recorded length to the tournament director (Mike Murphy – rtpmurphy@yahoo.com). Entries must be submitted by midnight on April 30, 2023.

Fish must be caught in North Carolina waters from April 1 to April 30, 2023. Anglers may submit multiple entries throughout the month but only the longest fish for each angler will be used to determine the winner.

Fish caught on private boats or charter boats are eligible.

Member outings for targeting Bonito will be organized for Saturday, April 1st and Saturday, April 15th by SignUpGenius invites.

If you have any questions, please reach out to Mike Murphy. We look forward to seeing you out on the water!

Photos from the 3/7 Oyster Roast at Gismo Brewery

The Club wanted to have a fun social event, cook some oysters, and talk about fishing events past and future. Some pictures of the event are included below:

For Sale Frontend Fishing Rack by Jim Beetham

I am selling my rack with the connecting bar. It will accommodate 8 rods and a 30 inch cooler. It has a bucket holder and space for a small cooler. It was made by Angler' Aluminum a long time ago. I have lengthened the back four rod holders so long rods will not drag (this can be removed).

There is a removal table and two baiting rod holders (holders at 45 degrees). The support bars are stainless steel.

The connecting bar was fastened to the frame via two brackets welded to the frame. Triangle Car Care did the connection 919 787 0966. My number is 919 801 0387.

KING TIDES

King tides occur when the earth, the sun, and the moon are aligned. When the sun and the moon are aligned and moon closest to the earth, we get “king tides”. The result is extreme high tides, and extreme low tides. This is because the gravitational pull is essentially “stretching” water on the earth. Seawater is then pulled in an upward manner causing higher tides in some areas and lower tides in others.

Knowledge can allow you to plan a trip to look for tailing red drum in spartina or avoid getting trapped fishing skinny water on a falling tide.

Nice article on tides from Carolina Sportsman:

2023 North Carolina King Tides Calendar

- King Tide
- Expected Higher & Lower Water Events
- Lunar Perigee (moon closest to Earth)
- Full Moon
- New Moon
- Super Full Moon (Perigee & Full Moon)
- Super New Moon (Perigee & New Moon)

HOW TO SUBMIT AUTOMATED FISHING REPORTS

Dates, locations (general), tackle, bait and tips are greatly appreciated. You can easily utilize the new reporting tool on the Club's website. Fish Card: <https://www.rswsc.org/fish-cards>

Tripp made updates to the website for members to submit Fish Cards. The application for submitting information is through Google Forms and has been embedded into the website. When submitting a responses, members will have the ability to view other submissions.

“Google does require a Gmail account be used, if a picture was uploaded in the questionnaire. To make things easier, pictures will be emailed separately. We believe the ease of submitting responses and the ability to view all member results will outweigh having to submit a pictures separately.”

You can also use the form on the following page if desired and not computer savvy.

Please send in your fishing reports, Fish Cards and photos to share with members in 2022. The newsletters are much better with fishing reports and photos.

Club Website Improvements — from Tripp Adams:

With the help from Tom Zemonek and Janson Fant, the club has a new website. We launched the new RSWSC website in November of 2020.

Built on a different platform from the old site, the club site now has a more updated and professional look/feel. You will notice many of the tabs from the original site are the similar, with only a few key differences. Users will experience much faster load times and, a webpage made to fit mobile devices.

One key addition to the new website is the 'Meetings and Outings' tab. <https://www.rswsc.org/meetings-and-outings>

As the outings calendar is planned and updated, events will be added to the page. We also plan to have virtual club meetings in 2021, which will have meeting information listed. As the club grows into the new site, there is functionality to manage event registration, and event specific communication. These are transitions from our current procedures and will be adopted over time.

The other new feature is the 'Forum' tab. <https://rswsc.org/forum> visitors to the website will have to make an account to access the information. The idea behind the forum is that, this will be a great way for members to interact with each other, especially during these quarantine times. Several message board topics have already been created in the forum; members can post pictures, experiences with guide services, baits/tactics, etc. This will also be a great way for members to meet other club member who have experience in their area of the coast.

As we continue to grow into the new website, you may notice changes along the way. While much of the site was built before it was published, there are always new features that can be added or adjusted. in the long term the site should be able to handle club communication for both emails and social media postings. Some of this will be a "learn as we go" process so, bear with us.

We are open to feedback on the new website. Please do not hesitate to reach out to me with questions, suggestions, and/or recommendations. Email me at tripp.adams@field2base.com
